

Processor Trays M400-32R

**8" x 6" Container 32 oz Microwavable
Black High Impact Flat Flange**

This film-sealable tray is ideal for use by processors of refrigerated and frozen prepared foods. Flat seal flanges provide an excellent surface for a reliable seal with lidding films. Light, but strong, high impact co-polymer, polypropylene material is microwave-safe and withstands the rigors of the refrigerated and frozen distribution channels.
