Introducing the New Crisp Food Container

- **NOTHING keeps food as Crispy.**

Exclusive, patent-pending, Convection Cross-Flow™ ventilation design to relieve moisture and condensation.

- **Food Stays Hot & Safe Better.**

Designed to withstand up to 240°F when placed in warming unit displays and under heat lamps. Retains internal temperatures.

- **Excellent Merchandising & Visibility.**

Anti-fogging heat-tolerant polypropylene, hinged, vented clear lid, on a classic 1-piece black tray.

- **Large Capacity.**

Fill it with your entire catch of fish, shrimp, french fries, tempura, hush puppies, mozzarella sticks. Holds up to 8 large pieces of chicken, too!

Independent, side-by-side tests demonstrated that the Crisp Food Container outperformed other fried food containers.
