

Make Your Chicken Program Soar

Right to the checkout lane with all your prepared foods

Superior merchandising & table-ready presentation. Anti-fog lid makes food look fresh and appealing to drive impulse sales and the stylish serving platter requires no re-plating at meal time.

A size for every whole bird and more. Choose from a variety of Roaster™ designs and sizes to handle any size whole chicken and low dome options for half chicken, turkey breast, baked ham, pork roast, beef tenderloin, meatloaf and other prepared food favorites.

Heat tolerant & leak resistant. Both lids and bases will withstand temperatures up to 230°F in warming units, under heat lamps and in the microwave. The polypropylene bases and lids

will not warp or crack and are designed with leak-resistant closures to keep hot juices inside & avoid messy spills.

Keep the fried chicken crispy. Exclusive, patented, Convection Cross-Flow® ventilation design relieves moisture and condensation. Independent, side-by-side tests at leading retailers demonstrated that the Crisp Food Containers outperformed other fried chicken packages.

Reduce, Reuse, Recycle. Less petroleum-based resins in our bases with material blends and unique designs improve performance. Strong and durable packages are microwavable and dishwasher-safe to allow the consumer to use multiple times and then recycle ♻️.
