

Processor Trays M400-24R

**Rectangle 8" x 6" 24 oz Processor Flat Flange High Impact Black Tray
Microwavable**

Description

This film-sealable tray is ideal for use by processors of refrigerated and frozen prepared foods. Flat seal flanges provide an excellent surface for a reliable seal with lidding films. Light, but strong, high impact co-polymer polypropylene material is microwave-safe and withstands the rigors of the refrigerated and frozen distribution channels.
